Introduction

Architecting big data applications
41s video

1. Introduction to Big Data Applications

Characteristics of batch processing
1m 53s video

Challenges building batch
applications
1m 15s video

Technologies for batch big data
engineering
2m 1s video

Use cases for batch big data
2m 19s video

Architecture process for data
engineering
2m 15s video

Chapter Quiz
2 questions

2. Big Data Architecture Principles
